BYU Leader Conference Held at Bryce

"HIGH-WAYS of Leadership" was the theme of the 1956 Student Leadership Conference held Sept. 14-15 at Bryce Canyon. More than 150 leaders of organizations on the Brigham Young University campus attended the event.

Sessions directed by the Executive Council were designed to acquaint the new leaders with the procedures which will lead to better organizations. Dr. Henry L. Isaksen, student co-ordinator, attended all sessions, and was a speaker at the opening meeting.

DR. PRESTON Nibley, historian for the Church of Jesus Christ of Latter-day Saints, was guest speaker at the banquet held for the student leaders. Following the banquet the Studnt Program Bureau presented a program.

A sunrise devotional was conducted on the rim of the canyon. Several students and one faculty member participated.

ON THE second day leaders attended information sections in the morning, and in the afternoon Dean of Students Wesley P. Lloyd addressed the assembly.

Chairman for the two-day conference was Bruce Peterson, Santa Barbara, Calif.

Utah Guard Jets to Fly Frosh Welcome Salutes

THREE AERIAL salutes to the campus by jet planes of the U.S. Air Force will be an added feature of orientation activities at Brigham Young University this week.

The jet salutes will occur at 4:07 p.m. Thursday, 11:55 a.m. Friday and 11:55 a.m. Saturday, according to announcement by Col. Barnett S. Allen, professor of air science at BYU. They will be made by flights of F-86 Saberjets flown by pilots of the Utah Air National Guard Fighter squadron based at the Salt Lake airport.

PLANS FOR the fly-overs call for the aircraft to approach the campus from the northwest, making an initial pass at an altitude of 500 feet. The planes will circle to the right over the city and return for as many passes as their fuel supply will allow.

The Air Force salute will invite attention of new men students to the Air Force Reserve Officers' Training course.

'Slim Sheath Look' Popular In Autumn Campus Attire

by Deanna Barnum

BRIGHAM Young University's campus is again bustling with activity as preparations are being made for another college year. Freshmen are anxious to begin college life but a little nervous because they don't know exactly what to do, how to act, or what to wear.

Freshman girls are asking themselves such questions as: What kind of clothes should I wear for my classes? What types of clothing should I wear for parties and dates? This fall preview will inform freshman coeds of fall campus styles.

SEVERAL points to consider in choosing clothes for classroom wear are comfort, washability, and durability. Most classroom clothes should have freedom of movement and be washable, including sweaters and skirts.

This season's most popular styling in all types of women's clothing is the "slim sheath look." Slim looking dresses, skirts and jumpers lead the list in fall fashion news. The princess styled and long torso dresses and jumpers that came into popularity last year are still popular as well.

FABRICS FOR the season's clothing are mainly woolens, tweeds, and corduroys. Besides being fashionable these fabrics are pleasant looking and practical. Bulky looking tweeds and washable blends of wool and orlon are especially being shown.

Enough Food, Sleep Seen Student Need

A wise sage once said, "Early to bed and early to rise, makes a man healthy, wealthy and wise." But, good food is as important as enough sleep to keep college students on the road to prosperity.

Good food keeps one bealthy if the basic seven includes green leafy vegetables, yellow vegetables, fruits, dairy products, whole grains, and fats aed oils. The secret to keepieg healthy is remembering the sven groups and eating something from each of them every day.

To become wealthy students who do their own cooking should spend food dollars wisely. Compare prices with nutritive value and buy those foods with the most economical sources of needed nutrients. Food bills can be cut by watching the price of every item and buying inexpensive nutritious food.

Cats Surprise Experts, Hold Powerful Wichita

by Rich Hall

A HUSTLING Brigham Young University football team that wasn't supposed to have a chance fought a superior Wichita University eleven right down to the final gun Saturday night before dropping a 13-0 decision to the Shockers.

Wichita, favored by from six to 33 points before game time, had to wait until late in the first half before posting their first touchdown. The second came late in the fourth quarter on a tricky double reverse play that carried seventeen yards.

STATISTICALLY it was all Wichita's game. The Shockers gained 458 yards in the air and on the ground as compared to 47 for BYU. They gained 406 yards in rushing while holding the Cats to a minus-5 yards. Only when one looks in the fumble and penalty columns does the key to the Cougars' stand become apparent. Eleven Wichita drives were stopped either by penalties or fumbles. The Shockers fumbled eleven times and the sharp BYU defense recovered seven of them Wichita also had 16 penalties totaling 130 yards levied against them. The majority of the penalties were for off-sides caused by a tricky, shifting, in-and-out type of defensive system used by the Cougars. On occasion it was apparent that the BYU defense had Wichita completely baffled.

OFFENSIVELY it seemed that the Cougars could not get started. Facing a group of experienced, senior ball players, the Cats only got one real offensive drive that looked like it would go anyplac. It bogged down and they had to punt out of danger.

The alternate unit system caused the Cougars a little grief, too. The prospect of facing a fresh team every seven and one-half minutes was a bleak prospect for the wearying BYU gridders. Had the Cougars been able to break through the Shocker defenses the game may have had a different outcome.

THE DEFENSIVE play of the Cougar ends seemed to stand out with Tom Clark, Ed Hunt, Paul Brown, and Ray Neel taking their share of the honors. Tackle Dave Hanks, Guard Jay Weenig and Center Bob Olson also turned in good defensive performances.

Having to leave behind nine injured players may have hurt the Cougar chances somewhat.

BYU Hosts Fresno State

GOING TO GAME? PAY ACTIVITY FEE

Special arrangements are being made so students who wish to see the Fresno State football game Saturday night will be able to do so without purchasing regular tickets.

University officials said the Treasurer's office will be open daily Sept. 20-22 to accommodate students who wish to pay their fees in advance. Thus students will be able to obtain their activity cards which will be honored at the gate on game nights.

That's Rich

by Rich Hall

THE "NEW ERA" in Brigham Young University football began Saturday night when Coach Harold Kopp fielded a scrappy, well conditioned ball club against Wichita University in the season's opener

In both the score column and game statistics BYU came out on the short end But, to many who have followed recent Cougar football fortunes the game gave a hint of the potential of this year's squad Wichita is favored to take their third straight Missouri Valley Conference title this year BYU has not been touted to climb more than one or two places above their last place finish of last season However, after the performance handed in by the green Cougar club against the far more experienced Shockrs, a lot of people are taking another look at the Cats.

THE BYU OFFENSE, with a minus five yards gained rushing, may hav left some fans feeling that mucb could be done in that direction, but one thing was very apparent; Coach Kopp has given the Cougars a real defense.

He has introduced a shifting, sliding, in-an-out system that baffles the opposition. The most obvious effects of the defense was the large number of offside penalties called against Wichita. No telling what all the bobbing around of the defensive Cougars did to the Shockers mentally. It makes a lineman awfully nervous not to know where the man he is supposed to hit will be until almost too late The team showed some very "heads-up" playing, also Wichita fumbled eleven times and the Cougars recovered seven of them BYU fumbled three times, and recovered each time.

By tightening up and recovering fumbles the defensive unit managed to check the Shockers at several crucial spots

THE FACT THAT WICHITA used an alternate-unit system no doubt hurt the Cougars, especially in the last half The equivalent of two first teams Shocker Head Coach Pete Tillman could confront the BYU gridders with a fresh team every seven and one half minutes The Cougars looked good in the first quarter, but as the game went on the Wichita system began to wear them down.

Koppers Underdog In Second Contest

BRIGHAM YOUNG University's Cougars will be seeking their first win of the season Saturday night wnen they meet Fresno State in the Cats' first home game under the leadership of Head Coach Harold Kopp.

Several weeks ago Coach Kopp made the statement that the all-important home opener needs to find the Cougars on the long end of the score. Judging by the indications given during this week's drills the Cats haven't changed their minds about winning the game with the Bulldogs The Brighams' first full-scale practice following their 13-0 defeat at the hands of Wichita, found the Cats out in full force with the exception of two or three players who may be sidelined for the balance of the season.

THE BYU coaches and players will not be taking the California team lightly. The Bulldogs are rated as one of the top teams on the west coast, and are seeking their third straight California Collegiate Athletic Assn. championship, having won the crown in 1954 and 1955. Their lone defeat in the 1955 season came at the hands of Utah State.

Six Fresno backfield men have compiled a total of more than a mile and a half rushing during the past two years Four of the six will be in the starting backfield against BYU Saturday Big gun in the Bulldog backfield is Dean Philpott, fullback and two-year letterman. Philpott has gained more than 1,600 yards in his sophomore and junior years at Fresno and is being touted as an All-American candidate by his school

Kitten Gridders Pose Threat

THE COACHING staff at Brigham Young University has gathered together a freshman football squad that is potentially the best in the school's history, possibly in the Skyline conference.

With a roster full of high school all-league and all-state players, Freshman Coach Max Tolbert should have a talented organization to enter the football wars this season. Coach Tolbert will be mainly interested in teaching the frosh club Coach Harold Kopp's split-T system and getting his players ready for varsity competition next year But he'll be out to win ball games.

COACH KOPP will be following the Kitten games closely. He has said BYU will need two good freshman teams before they can be expected to start knocking off the bigger Skyline squads, and so will be interested in seeing how the frosh perform this season. Other Skyline coaches are expected to follow the Kittens' games closely, too.

BYU Beauty Named Runner-Up In National College Contest

Joan Schoenfeld, a Brigham Young University coed, was chosen last week as runner-up in the National College Queen contest.

The contest, held in Asbury Park, N. J., was won by Marilyn Meyer, 18, a sophomore from Baylor University, Waco, Texas.

Miss Schoenfeld, Parma, Ohio, is also BYU's entrant in the annual Berkeley (Calif.) Football Festival, which is now underway.

She is competing with 15 participants from colleges throughout the nation for the festival title, to be awarded Saturday evening in Berkeley.

The BYU coed is a brunette with light brown eyes. She was attendant to the Banyan Ball queen last year, has reigned as Miss Utah National Guard, Miss Cleveland (Ohio) and was judged the outstanding coed in Utah last year.

The current Berkeley festival marks the first time a BYU-sponsored beauty has entered a national beauty contest.
